

## To Rector of the Baltic Methodist Theological Seminary

Application for need-based special allowance

Name: .....

Surname: .....

Personal identification code: .....

I would like to apply for need-based special allowance for Spring semester 2014/2015 from the Baltic Methodist Theological Seminary due to deterioration in my economic situation. The allowance is needed to cover my expenses related to getting a higher education. I confirm that during last 3 months my monthly income has not exceeded 329 euros per family member. I am not receiving the need-based allowance from any other institution providing higher education in Estonia.
